

Rules of the Teddy Bear competition at the Teddy Bear Prague exhibition

on 25 27 October 2019

1) The competition is intended for teddy bear creators.

Only teddy bears by authors corresponding to the individual categories will be accepted into the competition. The teddy bears must be originals and made by the author.

2) Each competitor may enter only one competition teddy bear in each category.

3) There must be no references to the author on the teddy bear (brand, initials, labels, etc.).

4) Upon consideration, the juror may reassign the teddy bear to a different category other than that in which it was originally entered. If the competitor disagrees with this decision, the competition teddy bear will be excluded from the competition without compensation.

5) A jury composed of masters in the field will evaluate the competition teddy bears and select the winner. The jury will select the winners of the competition in each category for 1st, 2nd and 3rd places.

Evaluation criteria:

Overall appearance

Quality of craftsmanship

Expression

The jury will score the teddy bears and choose the 3 best ones in each category.
